Don't leave it till it's too late! Get free guidance to put a Lasting Power of Attorney in place quickly and easily.

Setting up a Lasting Power of Attorney ("LPA") may sound complicated, but it is a simple way of protecting your health, your finances, and the people you trust.

Future Matters will be running a free online session about how to put Lasting Powers of Attorney in place.

This is part of a special online programme of events for Carers Rights Day, hosted by Islington Carers Hub and opened by Islington Mayor, Councillor Janet Burgess.

LPAs can be expensive to set up, but Islington residents can get free information and support through Future Matters, a service provided by Age UK Islington and NHS-funded partner Gentle Dusk.

Learn more about the **AUKI Carers Rights Day programme**, and how to register for the Lasting Power of Attorney session at 16:00 – 17:00hrs:
