

The Executive Committee, as set out in the Constitution, is the governing body of Islington U3A and its Board of Trustees for the purposes of charity law. It is responsible for the organisation and development of Islington U3A. All elected Committee members are Trustees. The Executive Committee meets monthly. It also meets with all the Group Coordinators during the year to share ideas for development. Members of the Executive Committee assist at the Monthly Meetings (which are planned and organised by a separate group of volunteers), and also on various sub-committees and tasks.
